Copy No. 3

MEMORANDUM FOR: Contracting Officer, DPD-DD/P 7 January 1959

SUBJECT : Contract Amendment No. 3, with MSD, LAC

REFERENCE : Memorandum for the Record, dated 2 January 1959  
(COR-0302)

25X1 1. I have signed off on the amendment No. 3 contract concurrence  
25X1 document. I note that we now estimate the total of the Lockheed prime  
contract [redacted] This figure does not in the least surprise me  
but I want to remind you that the last time I talked to Jack Carter he was  
estimating a total of [redacted]

2. At an appropriate time I would like to be told exactly what is  
included in the estimated total in the reference. Specifically, am I  
correct in assuming that this does include the cost of the programming?
